

To Whom it May Concern

I had the pleasure of working with Peyton Trujillo at Sweis, Inc. Peyton was a member of our Reno Customer Service team and in her role, she had daily contact with clients, salespeople and other company employees. It was her responsibility to take orders and enter them into our system, facilitate payment, answer questions, research and resolve problems and maintain excellent relationships with our customers and Sales Consultants.

Peyton performed at an exceptionally high level and was regarded as a high-performance member of our Customer Service team. Unfortunately, due to a company re-organization, the Reno Customer Service Department was closed and Peyton's position was eliminated.

I would recommend Peyton highly for any opportunity for which she is being considered.

Yours truly,

Glen Pacek
Executive Vice President
Sweis, Inc.
